Dear «Ref\_Person\_FirstName»,

### **Welcome to the Living in Australia study for Wave 16.**

I would like to thank you for your continued participation in the Living in Australia study. Your co-operation and support each year is what makes the HILDA study the leading international success that it has become.

This year the questionnaire will focus on education, skills and abilities in everyday life. Your opinions, your stories and your voice contribute to the complex data that tell the story about who we are as Australians.

The Living in Australia study is increasingly becoming an invaluable tool for policy and decision makers. This is a reflection of the time you make for us each year- for which we are sincerely grateful.

### **Our newsletter for 2016**

Within the newsletter you will find:

- A special letter from Finn Pratt AO PSM, Secretary of the Department of Social Services;
- Important information about the study, your confidentiality and your privacy;
- What is new this year and some examples of how HILDA data has been used;
- Information on your \$35 cash gift.

### **You are important to us**

I encourage you to visit the project website [www.livinginaustralia.org](http://www.livinginaustralia.org) for more information about the study. Should you wish to contact the project team for any reason you can call 1800 656 670 or email [HILDA@roymorgan.com](mailto:HILDA@roymorgan.com).

### **In the next few weeks**

Your interviewer will call on you soon to invite you to take part in the study this year. As always, the information you provide is completely confidential.

Yours sincerely,

Michael Bradford
