Dear «Ref_Person_FirstName»,

Welcome to the Living in Australia study for Wave 17.

I would like to thank you for your commitment and support of the HILDA study. The time that you and 17,000 other Australians set aside each year ensures that the HILDA study remains a respected source of information for researchers, academics and policy makers - helping them understand the lives of all Australians. Your contribution really does make a difference.

This year we will return to you with a focus on health and other health related topics such as physical activity, diet and sleep. Your participation this year will help us identify how these areas affect the day to day life of Australians.

Our newsletter for 2017

Within the newsletter you will find:

- A special letter from Professor Stephen Zubrick of the Telethon Kids Institute;
- Important information about the study, your confidentiality and your privacy;
- Information on what is new this year;
- A reminder about your \$35 cash gift.

You are important to us

I encourage you to visit the project website www.livinginaustralia.org for more information about the study. Should you wish to contact the project team for any reason you can call 1800 656 670 or email HILDA@roymorgan.com.

In the next few weeks

Your interviewer will contact you soon to invite you to take part in the study this year. Once again, thank you for your support and we hope you find your participation this year enjoyable.

Yours sincerely,

Auke Pool
