If your Entry Contribution is equal to or less than the Extra Allowable Amount, you are assessed as a non-homeowner. Your Entry Contribution will count as an asset. You may qualify for Rent Assistance. The Extra Allowable Amount is the difference between the non-homeowner and homeowner asset test limits, currently \$104 500.

### Hardship provisions

## Chart E—Concessions#

### Automatic issue Health Care Card (HCC)

The HCC is automatically issued to people receiving:

- Newstart Allowance, Partner Allowance, Sickness Allowance, Special Benefit, Widow Allowance and Youth Allowance (non-students).

Where these payments are cancelled due to the person or their partner commencing employment, or an increase in work-related income of the person or partner, a further HCC is issued for six months. This is provided the cardholder received income support payments for 12 months or more immediately before the cancellation.

- Parenting Payment (partnered), Exceptional Circumstances Relief Payment, Farm Family Restart Income Support as well as those receiving the maximum rate of Family Tax Benefit Part A by fortnightly instalments.
- Mobility Allowance, where the recipient does not hold a Pensioner Concession Card. Where Mobility Allowance is not payable because customer has received the benefit of GST exemption on purchasing a motor car, they may be able to receive a HCC.
- Carer Allowance (CA), paid to parents/carers in respect of a child with a disability. Other parents/carers of children with a disability who do not receive CA may receive a HCC subject to other eligibility criteria.
- Parenting Payment (single). Such customers receive a HCC for six months if their payment stops due to the person commencing employment, or due to the level of earnings from employment. This is provided they received income support for 12 months or more immediately before their payment stopped.
- Community Development Employment Project (CDEP) Scheme Participant Supplement (CPS), where recipient is qualified for a social security payment (attracting a HCC), but that payment is not payable due to either the assets test, or the rules relating to seasonal or intermittent workers. These customers receive the HCC applicable to the payment type for which they are qualified.

### Claim required Health Care Card (HCC)

Other groups of people may obtain a HCC in the following circumstances:

- A 'low-income' HCC is provided on application to people subject to an income test. Once eligible, these limits may be exceeded by up to 25 per cent before eligibility is lost. The income test applies to average gross income in the eight weeks prior to applying. Current income limits are:

Single	\$332 pw
Couple (combined)	\$553 pw
Single or Couple with one child	\$587 pw
For each additional child add	\$34 pw

- Foster Carers may also obtain a HCC for the foster children in their care. The card is issued only in the name of the foster child.

### Pensioner Concession Card (PCC)

A PCC is automatically issued to:

- all FaCS and Department of Veterans' Affairs pensioners (except certain Pension Loan Scheme participants—see details below); FaCS Pensions include Age Pension, Disability Support Pension, Wife, Carer Payment, Parenting Payment (single), Bereavement Allowance, Widow B, Mature Age Allowance
- older allowees, that is customers aged 60 years or over who are receiving Newstart Allowance, Partner Allowance, Widow Allowance, Parenting Payment (partnered), Sickness Allowance, or Special Benefit, and have been in continuous receipt of one or more of the above payments (or a social security pension) for nine months or more;
- Community Development Employment Project (CDEP) participants who are qualified for a social security pension but that payment is not payable due to the result of either the assets test or the rules relating to seasonal or intermittent workers, and who therefore qualify for the CDEP Scheme Participant Supplement (CPS);
- CDEP participants who are qualified for Newstart Allowance, Partner Allowance, Widow Allowance, Parenting Payment (partnered), Youth Allowance, Special Benefit or Mature Age Allowance (paid under Newstart conditions), but where that payment is not payable due to the result of either the assets test or the rules relating to seasonal or intermittent workers, and who therefore qualify for the CPS. Note that these customers must be aged 60 years or over, and have been in continuous receipt, or have been taken to be in continuous receipt of one or more of the above payments (or a social security pension) for nine months or more;
- a customer who is participating in the Pension Loans Scheme (PLS) and who is qualified to receive a part rate pension. Note that if a PLS customer is prevented by the income or assets test from receiving a part pension, then they are NOT eligible for a PCC.

PCCs can be retained in the following circumstances when a person loses qualification to the relevant social security payment:

#### Disability Support Pension (DSP) recipients

- retain their PCC for 12 months after losing qualification for the pension due to commencing employment of 30 hours or more per week, or because of the level of earnings from this employment.

### Wife Pension (DSP) recipients

- retain their PCC for 12 months after losing qualification if their partner has been receiving DSP, and their partner loses qualification for the pension due to commencing employment of 30 hours or more per week, or because their partner's income from employment causes them to lose qualification for DSP.

### Older allowees (as defined earlier)

- retain their PCC for a further six months if their payment stops due to the person or their partner commencing employment, or due to the level of earnings from this employment.

### Mature Age Allowance recipients

- retain their PCC for a further six months if their payment stops due to the person or their partner commencing employment, or due to the level of earnings from this employment.

### Parenting Payment (single) recipients

- PCC entitlement ceases if a customer loses entitlement to Parenting Payment (single) due to an increase in income due to employment. Provided the customer has been in continuous receipt of either: a social security pension (except for a Special Needs Pension) or a social security benefit (other than Austudy or Youth Allowance paid to students) for the last 12 months, a Health Care Card is issued for the ensuing six months.

### Commonwealth Seniors Health Card (CSHC)

The CSHC is targeted at self-funded retirees of Age Pension age (currently 62 years for women and 65 years for men) who do not qualify for an Age Pension because of assets or income levels.

To qualify for a CSHC a person must meet the following criteria:

- be an Australian resident or special category visa (SCV) holder. An Australian resident is one of the following:

- have an annual adjusted taxable income of less than \$50 000 for singles; \$80 000 for couples (combined income); and \$100 000 combined or \$50 000 each for couples separated by illness, respite care or gaol. An amount of \$639.60 per year is added for each dependent child. There is no assets test.

### Telephone Allowance

Telephone Allowance (TAL) is paid to pensioners, certain allowees, and eligible CSHC holders to assist with the rental of a telephone line or mobile phone. It is not paid to assist with the costs of telephone calls.

TAL is paid quarterly on the customer's first payment delivery day after 1 January, 20 March, 1 July, and 20 September each year. The current rate of TAL is \$74.40 per annum (\$18.60 per quarter). This amount is shared between both members of a couple.
