

FACT SHEET 11
Use of Symbol Digits Modalities Test
Data - available from Wave 12

Use of Symbol Digits Modalities Test Data

Under the **licensing arrangements**, researchers who apply to use the Symbol Digits Modalities Test Data module from HILDA Release 12 must:

1. At 'Restriction on Use of the Datasets' state clearly your intention to use the Symbol Digits Modalities Test Data module;
2. Discuss your application with the Data Manager of your organisation;
3. Have your Data Manager witness your Deed of Confidentiality and forward it to DSS;
4. If your application is approved, both you and your Data Manager will be notified by DSS;
5. Contact your Data Manager to arrange for delivery of the dataset(s) and/or password.

a) Providing Research Material to DSS and Melbourne Institute of Applied Economic and Social Research

Users of the Symbol Digits Modalities Test Data module have an additional obligation under the licencing of this module. Copies of all papers that use this data must be sent to the Melbourne Institute of Applied Economic and Social Research who will ensure Western Psychological Services (WPS) receives these papers.

Address

Melbourne Institute of Applied Economic and Social Research
Level 5, Business and Economics Building, 111 Barry Street
The University of Melbourne
Victoria 3010 Australia
