Dear FirstName,

I would like to thank you and your household for your ongoing support for the HILDA study. To us, you are irreplaceable and contribute immensely to the continued success of this study.

This year we are focusing on the issues that are significant during, and in planning for, various life stages such as retirement, planning a family and forming relationships. As such, we trust you will find the questions interesting and relevant to you.

Your time is valued immensely by all involved in the study, including project staff, researchers, academics and policy makers. I hope you will take the time to share your views and experiences with us this year, when one of our Living In Australia interviewers contacts you in the next few weeks. As always, the information you provide is completely confidential.

Please find enclosed the latest *Living in Australia* newsletter which includes:

- a message from Australia's Governor – General, her Excellency Quentin Bryce;
- interesting articles and results from previous years;
- information on what is new for the study this year;
- a reminder of our \$30 gift for your valued and continued participation.

Should you wish to contact us for any reason we would be happy to hear from you. Our contact details can be found below and in the enclosed Newsletter. Also, details of how you can request an interpreter are provided on the back of this letter.

We hope that you enjoy being part of this vital study in 2011.

Yours sincerely

Athina Katiforis
