INTERVIEWER NOTE: According to the Household Form information supplied earlier, there ARE children less than 15 years of age living in the household ("childreninhousehold.name").

If the children have left the household since the Household Structure date ("HHstructureDate"), please ask HQ Section Q in the context of the time when the children were still living here. Do not include any children who may have joined the household since that date.

You will now be returned to Q1.

Go to Q1

Q2. We begin with some questions about any child care arrangements your household may have, and the costs involved. Are you able to answer these sorts of questions or should we speak to someone else?

INTERVIEWER NOTE: If the person you are interviewing cannot provide the required details about childcare, select 'No'. You will skip to R2 and leave this part of the form until you can interview the person needed.

☑ Yes, is able to answer childcare questions [1]
☑ No, need to speak to someone else (Record name on next screen) [2]
☑ Refused [8]

IF Q2 = 2 go to INTERVIEWER NOTE
IF Q2 = 8 go to R2

INTERVIEWER NOTE: Please record the name or names of household members who should be able to provide answers to the HQ Childcare questions.
