

CURRICULUM VITAE

Ou Yang

Senior Research Fellow
Melbourne Institute: Applied Economic & Social Research
The University of Melbourne

RESEARCH INTEREST

Micro-econometric models and applications in health and healthcare system; Applied econometrics; Demand system specification and estimation; Semiparametric models and applications

EMPLOYMENT SUMMARY

- Senior Research Fellow (continuing), Melbourne Institute: Applied Economic & Social Research, The University of Melbourne, September 2022 –
- Research Fellow (continuing), Melbourne Institute: Applied Economic & Social Research, The University of Melbourne, July 2022 – August 2022
- Research Fellow (fixed-term), Melbourne Institute: Applied Economic & Social Research, The University of Melbourne, July 2017 – July 2022
- Senior Statistical Consultant (continuing), Victoria Department of Health and Human Services, June 2016 – June 2017
- Postdoctoral Research Fellow (fixed-term), Department of Econometrics and Business Statistics, Monash University, January 2016 - June 2016

PUBLICATION:

PAPERS UNDER REVIEW

18. “Ownership status, Prices and Quality of Nursing Homes: Evidence from Australia”, with Jongsay Yong.
19. “Impact of the GP-Specialist Referral Network on Psychiatric Specialist Consultation Waiting Times and Fees”, with Yuting Zhang.
20. “Who Gets MyMedicare and When? Patient Characteristics and the Likelihood of Registration”, with Ron Fisher, Susan Mendes, Jongsay Yong, Yuting Zhang, Crystal McPhee, Hannah Lack, Karinna Saxby.

RESEARCH IN PROGRESS

21. “An Exponential Dynamic Multinomial Response Panel Data Model with Fixed Effects”, with Majid M. Al-Sadoon, Tong Li, M. Hashem Pesaran and Xueyan Zhao.
22. “Impact of Telehealth Adoption by Psychiatric Specialists on Consultation Wait Times and Fees”, with Yuting Zhang
23. “Referral patterns and GP gatekeeping”, with Ryan Liang, Susan Mendez and Yuting Zhang
24. “A comparative descriptive analysis of diagnosis and survival outcomes for colorectal cancer in Victoria and Ontario”, with Erin Strumpf, Tiffanie Perrault, Fanny Franchini and Yuting Zhang
25. “Who gets chronic conditions earlier? Evidence from HILDA”, with Ron Fisher and Yuting Zhang
26. “Estimating short-term capacity: Theory and an application to invasive coronary angiography for acute myocardial infarction”, with Marc Chan and Jongsay Yong.
27. “Bodily pain, social pain? The impact of physical pain on loneliness”, with Ferdi Botha
28. “Excess capacity and low-value care: The case of invasive coronary angiography in Australia's mixed public-private health system”, with Jongsay Yong and Vijaya Sundararajan
29. “Estimation for Partially Linear Single-Index Panel Data Models with Individual-specific Link Functions”, with Yiran Han and Boping Tian
30. “Effects of falling private health insurance membership on the competition, utilisation and quality of hospitals”, with Carol Propper, Anthony Scott and Jongsay Yong.

CONSULTANCY PROJECTS

- Compare quality of care in private and public hospitals in Australia, commissioned by Australian National University, 2026
- Evaluation of Right Care Better Health, commissioned by Eastern Melbourne Primary Health Network, with Ron Fisher, Karinna Saxby, Susan Mendez, Jongsay Yong and Yuting Zhang, 2025
- Developing an innovative climate-SES-vulnerability index, commissioned by AONEX Pty Ltd, 2025
- IPART out-of-home care review: Cost of caring, commissioned by Independent Pricing and Regulatory Tribunal of New South Wales, with Ron Fisher, Karinna Saxby, Jongsay Yong and Yuting Zhang, 2024
- Right Care Better Health Evaluation Strategy, commissioned by Eastern Melbourne Primary Health Network, with Ron Fisher, Karinna Saxby, Jongsay Yong and Yuting Zhang, 2024
- Submission in response to the Independent Hospital and Aged Care Pricing Authority Consultation Paper on the Pricing Framework for Australian Residential Aged Care Services 2024-25, with Jongsay Yong, Susan Mendez and Yuting Zhang, 2023
- Enhancing the multivariant demand drivers model, commissioned by The Victorian Department of Health, with Jongsay Yong and Yuting Zhang, 2022
- Submission in response to the Independent Hospital and Aged Care Pricing Authority *Towards an Aged Care Pricing Framework Consultation Paper*, 2022. (Acknowledged in IHACPA's [*Towards an Aged Care Pricing Framework Consultation Report May 2023*](#)).
- Review of the DHHS Integrated Demand Forecasting Model, commissioned by The Victorian Department of Health and Human Services, with Jongsay Yong, Yuting Zhang and Viet Nguyen, 2021
- Submission to the Independent Hospital Pricing Authority's Consultation Paper on the Pricing Framework for Australian Public Hospital Services 2022–23, with Anthony Scott and Jongsay Yong, 2021.

- Competition, productivity, pricing strategies, and quality of care in the Australian's residential aged care industry, commissioned by Aged Care Royal Commission, with Jongsay Yong and Yuting Zhang, 2020
- "Analysis of relationship between health and socioeconomic status to inform development of loading and risk-adjustment approaches for current and future funding models", research commissioned by The Victorian Department of Health and Human Services, with Jongsay Yong, 2017-2018

PROFESSIONAL AND LEADERSHIP ACTIVITIES

- Organiser of the 2025 Global Leadership Program in Health System and Analytics, December 2025
- Panel discussion at the Monash EBS PhD Alumni Connect Event, December 2025
- Invited meeting with the Trade and Economic Indonesian Media Group, November 2025
- Chair of the Organising Committee at the 2025 Harbin International Conference on Econometrics and Statistics, July 2025
- Meeting with Hon Dr Daniel Mulino MP, March 2025
- Member of the Human Ethics Committee at the University of Melbourne, 2025-
- Chair of the Academic Committee, Asialink Summer and Winter Schools, Asialink, University of Melbourne, 2024-
- FBE Academic Advisor at the University of Melbourne, 2023-
- Editor, Melbourne Institute Working Paper Series, 2022-2024
- Climate Futures Group Co-Ordinator, Melbourne Institute, 2022-2024
- Convener of iHEA Early Career Researcher Special Interest Group, 2022-2023
- Melbourne Institute Seminars and Social Committee, 2019-2021
- Session moderator of the 12th (Virtual) Annual Health Economics Workshop of The University of Melbourne Health Economics Group, November 2020
- Organiser of The 41st Annual Australian Health Economics Society Conference, September 2019.
- Organiser of Melbourne Institute Seminar Series, 2019-2020
- Organiser of the 10th Annual Health Economics Workshop of The University of Melbourne Health Economics Group, November 2018
- Moderator of the Breakfast Roundtable at the 2018 Outlook Conference
- Organiser of the 8th Annual Health Economics Workshop of The University of Melbourne Health Economics Group, March 2015

PUBLICATIONS FOR NON-ACADEMIC AUDIENCES

31. [Psychiatric specialist services in Australia: alarming increase in wait times and regional disparities](#), with Yuting Zhang, *InSight+*, April 2025
32. [Australians can wait at least 258 days for their first psychiatry appointment, our new study shows](#), with Yuting Zhang, *The Conversation*. February 2025
33. [Effects of private health insurance on waiting time in public hospitals](#), with Jongsay Yong and Yuting Zhang, *Health Economics Connect*, May 2024
34. [Australia's system of taxing alcohol is 'incoherent', but our research suggests a single tax rate isn't the answer](#), with Preety Srivastava, *The Conversation*. April 2023

35. [Chapter 5 Equal tax for equal alcohol? Beverage types and antisocial and unlawful behaviours.](#) *Melbourne Institute Compendium 2022*, November 2022
36. [Australians demand more action on climate change from the government.](#) *Taking the Pulse of the Nation Reports*, July 2022
37. [Could tougher environmental policies boost economic growth?](#) *Research Insights*, November 2021
38. [Why greater private sector participation has not improved aged care performance](#), with Anthony Scott, Jongsay Yong and Yuting Zhang. *Croakey Health Media*. October 2021
39. [Australians more likely to get vaccinated after Victoria's COVID-19 outbreak](#), with Anthony Scott. *Pursuit*. June 2021
40. [There are problems in aged care, but more competition isn't the solution](#), with Anthony Scott, Jongsay Yong and Yuting Zhang. *The Conversation*. June 2021
41. [Tougher environmental policies can create economic winners](#). *Pursuit*. June 2021
42. [How has the Victorian outbreak of COVID-19 changed Australians' vaccination uptake and vaccine choice?](#) with Anthony Scott. *Research Insights*, June 2021
43. [Does competition in aged care provide better outcomes?](#) with Anthony Scott, Jongsay Yong and Yuting Zhang. *Research Insights*, May 2021
44. [Competition isn't improving the aged care sector](#), with Anthony Scott, Jongsay Yong and Yuting Zhang. *Pursuit*. April 2021
45. [Actually, Mr Trump, it's stronger environmental regulation that makes economic winners.](#) *The Conversation*. July 2020
46. [Should hospital funding be linked to socioeconomic status?](#) with Jongsay Yong. *Research Insights*, 2020
47. [Does profit-motivated patient selection exist in Australia?](#) with Jongsay Yong. *Research Insights*, 2020
48. [How to reduce the social cost to binge drinking in Australia?](#) with Preety Srivastava and Xueyan Zhao. *Research Insights*, 2020
49. [Does Equal Alcohol Mean Equal Harm? Beverage Types and Antisocial and Unlawful Behaviours](#), with Preety Srivastava and Xueyan Zhao. *Health Economics Connect*, December 2018

MEDIA

50. Video recorded interview with Loughlin Patrick about psychiatric specialist wait times and fees, October 2025
51. Phone interview with Max Footer from On The Record about [Australia's system of taxing alcohol is 'incoherent', but our research suggests a single tax rate isn't the answer.](#)
52. [Does taxing alcohol reduce harm?](#) The Western Plains App, February 2025
53. ['Asian food Costco': These warehouse supermarkets offer a cheaper option amid the crisis.](#) SBS. December 2024
54. [Yes, your G&T is getting more expensive. Here's why.](#) Here's why. *The Guardian*, March 2024
55. Pre-recorded phone interview with SBS Mandarin about "[Australia's system of taxing alcohol is 'incoherent', but our research suggests a single tax rate isn't the answer](#)", [link](#) to the podcast, April 2023
56. [How anti-vaxxers are weaponising pregnant women's fears](#), *The Sydney Morning Herald*. June 2021

57. Podcast from pre-recorded phone interview at SBS about “Competition isn’t improving the aged care sector.”, [link](#) to podcast, May 2021
58. Podcast from pre-recorded phone interview at SBS about “Cream skinning in Australia's health care system”, [link](#) to podcast, September 2020
59. Podcast from pre-recorded phone interview at SBS about “Actually, Mr Trump, it’s stronger environmental regulation that makes economic winners”, [link](#) to podcast, July 2020
60. [Binge drinkers main offenders for drink-driving, vandalism and violence](#), *Scimex*, March 2016
61. [Regular binge drinkers 30 per cent more likely to commit crimes, Monash research](#), *AFN*, March 2016
62. [Study: Binge drinking increases likelihood of committing crime](#), *Beverage*, March 2016
63. [Drinking data shows binge risks](#), *HealthCareer*, March 2016
64. [Binge drinkers main offenders](#), *Healthcanal*, March 2016

SCHOLARSHIPS, AWARDS AND RESEARCH GRANTS

- 2025 Deans' Research Engagement and Partnership Award, The University of Melbourne
- 2025 Visiting Research Scholar Grant to host Professor Tong Li from Vanderbilt University, The University of Melbourne, \$AU 10,561
- 2025 Faculty Research Grant, The University of Melbourne, \$AU 12,028.20
- 2025 Research Partnership Fund Grant, The University of Melbourne \$AU 50,000
- 2024 Top Downloaded Article in *Economic Record*
- 2022 Rising Start Runner-up Award, Australian Health Economics Society.
- 2021 COVID-Recovery Faculty Research Grants, The University of Melbourne, \$AU 5,000
- 2019 Early Career Researcher Grants, The University of Melbourne, \$AU 23,149
- [2011 Donald Cochrane Postgraduate Research Scholarship](#), Monash University, \$AU 10,000 per annum for three years
- 2011 Australian Endeavour International Postgraduate Research Scholarship, Monash University, \$AU 92,000
- 2011 Australian Postgraduate Award, Monash University, \$AU 22,860 per annum for three years
- 2011 Dean's Postgraduate Research Excellence Award, Monash University, \$AU 4,791 per annum for three years
- 2008 Danish Governmental Scholarship, University of Copenhagen.

ACADEMIC CONFERENCES

INTERNATIONAL:

- “Impact of Telehealth Adoption by Psychiatric Specialists on Wait Times”, IHEA 2025 Congress, July 2025, Bali, Indonesia.
- “Ownership status, Prices and Quality of Nursing Homes: Evidence from Australia”, 2025 Harbin International Conference on Econometrics and Statistics, July 2025, Harbin, China.
- “Estimating short-term capacity: Theory and an application to invasive coronary angiography for acute myocardial infarction”, 2024 First Macau International Conference on Business Intelligence and Analytics, December 2024, Macau, China.

- “Estimating short-term capacity: Theory and an application to invasive coronary angiography for acute myocardial infarction”, European Health Economics Association (EuHEA) Conference, June 2024, Vienna, Austria.
- “Ownership Status, Prices and Quality of Nursing Homes: Evidence from Australia”, WEAI’s 17th International Conference, April 2023, Melbourne, Australia.
- “Ownership status, Prices and Quality of Nursing Homes: Evidence from Australia”, Public Sector Economics 2022 Conference – Ageing and Long-Term Care, October 2022, Virtual.
- “Socioeconomic status, access to invasive coronary angiography, and mortality of acute myocardial infarction patients”, The 2021 Econometric Society Australasian Meeting, July 2021, Virtual.
- “Socioeconomic status, access to invasive coronary angiography, and mortality of acute myocardial infarction patients”, The 2021 Asian Meeting of Econometric Society June 2021, Virtual.
- “Estimating short-term capacity: Theory and an application to invasive coronary angiography for acute myocardial infarction”, accepted and abstract published at the EuHEA 2020 Conference website.
- “Cream skimming: Theory and evidence from hospital transfers and capacity utilization”, The 2019 iHEA World Congress, July 2019, Basel, Switzerland.
- “Cream skimming: Theory and evidence from hospital transfers and capacity utilization”, The 2019 Econometric Society Australasian Meeting, July 2019, Perth, Australia.
- “Cream skimming: Theory and evidence from hospital transfers and capacity utilization”, invited speech at The 3rd Lilac International Conference on Application of Statistics, China.
- “Cream skimming: Theory and evidence from hospital transfers and capacity utilization”, The 2019 Asian Meeting of the Econometric Society, June 2019, Xiamen, China.
- “Social Network Structure and Risk Sharing in Villages”, Asian and Australasian Society of Labour Economics 2018 Conference, December 2018, Seoul, South Korea.
- “Environmental stringency and its impacts on the productivity growth”, The 33rd Annual Congress of the European Economic Association and the 71st European Meeting of the Econometric Society, August 2018, Cologne, Germany.
- “Pre-school children’s demand for sugar sweetened beverages: Evidence from stated-preference panel data”. The 2016 Asia Meeting of the Econometric Society, August 2016, Kyoto, Japan.
- “Pre-school children’s demand for sugar sweetened beverages: Evidence from stated-preference panel data”. The Joint 2015 Annual Health Econometrics Workshop and the Seventh Australasian Workshop on Econometrics and Health, December 2015, Hawaii, USA.
- “Pre-school children’s demand for sugar sweetened beverages: Evidence from stated-preference panel data”. The 21st International Panel Data Conference, June 2015, Budapest, Hungary.
- “A Class of Demand Systems Satisfying Global Regularity and Having Complete Rank Flexibility”. The 2013 Econometric Society Australasian Meetings, July 2013, Sydney, N.S.W, Australia.

NATIONAL:

- “Impact of Telehealth Adoption by Psychiatric Specialists on Wait Times”, 45th Annual Australian Health Economics Society Conference, September 2024, Manly, Sydney, Australia
- “Estimating short-term capacity: Theory and an application to invasive coronary angiography for acute myocardial infarction”, The 12th Australasian Workshop on Econometrics and Health Economics, April 2023, Hobart, Tasmania
- “Ownership status, Prices and Quality of Nursing Homes: Evidence from Australia”, The 43rd Annual Australian Health Economics Society Conference, September 2022, Brisbane, Australia.

- “Estimating Short-Term Capacity: Theory and an Application to Invasive Coronary Angiography for Acute Myocardial Infarction”, The 42nd Annual Australian Health Economics Society Conference, September 2021, Virtual.
- “Does Equal Alcohol Mean Equal Harm? Beverage Types and Antisocial and Unlawful Behaviours”, The 40th Annual Australian Health Economics Society Conference, September 2018, Hobart, Australia.
- “Cream skimming, hospital transfers and capacity pressure”, The 39th Annual Australian Health Economics Society Conference, September 2017, Sydney, Australia.
- “Pre-school children’s demand for sugar sweetened beverages: Evidence from stated-preference panel data”. The 37th Annual Australian Health Economics Society Conference, October 2015, Brisbane, Australia.
- “Drinking Preferences, Binge Drinking and Antisocial/Unlawful Behaviours in Australia”. The 5th Australasian Workshop on Econometrics and Health Economics, April 2014, Fremantle, W.A., Australia.
- “Drinking Preferences, Binge Drinking and Antisocial/Unlawful Behaviours in Australia”. The 34th Annual Australian Health Economics Society Conference, September 2012, Darwin, N.T., Australia.

INVITED ACADEMIC CONFERENCES/SEMINARS/WORKSHOPS

- “Causal Inference in Health Econometrics”, The 8th China Health Economics Development Forum, November 2025, Wuhan, China.
- Discussant of “Peer Effects in Drug Adoption”, The 14th Australasian Workshop on Econometrics and Health Economics, July 2025, Lumpur, Malaysia.
- “Ownership status, Prices and Quality of Nursing Homes: Evidence from Australia”, 2025 Harbin International Conference on Econometrics and Statistics, July 2025, Harbin, China
- Discussant of “Bundle demand model for panel data with endogenous regressors: Soda tax application”, The 13th Australasian Workshop on Econometrics and Health Economics, April 2024, Kingscliff, NSW, Australia.
- “Estimating short-term capacity: Theory and an application to invasive coronary angiography for acute myocardial infarction”, ANU Department of Statistics Seminar, April 2023, Canberra.
- Discussant of “Is subjective unmet need for mental health care a valid measure compared with normative unmet need?” at HEU Work-in-Progress seminar, April 2021.
- Discussant of “Hospital Quality, Ownership, and Competition: Evidence from the Hospital Readmissions Reduction Program” (authors: Johannes S. Kunz, Carol Propper, Kevin E. Staub, and Rainer Winkelmann), The 10th Australasian Workshop on Econometrics and Health Economics, April 2019, Darwin, Australia.
- “Environmental stringency and its impacts on the productivity growth”, invited speech at the 11th Research Symposium for Chinese PhD Students and Scholars in Australia, Swinburne University, Australia.
- Discussant of “The Effect of Introducing a Minimum Price on the Distribution of Alcohol Consumption: A Counterfactual Analysis” (authors: Sharma A., Etile F., Sinha, K.), The 6th Australasian Workshop on Econometrics and Health Economics, April 2015, Melbourne, Australia.

PRESENTATION TO NON-ACADEMIC AUDIENCE

- “Does competition in aged care lead to better outcomes?”, Invited roundtable discussion with Development Research Center of the State Council hosted by Asialink, June 2024, Melbourne.

- [Do market forces in aged care lead to better outcomes?](#) with Jongsay Yong, Melbourne Institute Virtual Colloquium, April 2021.

TEACHING EXPERIENCE

- ETC 2410/3440 Introductory Econometrics, Monash University. Teaching evaluation: 4.43/5.
- ETC 2440 Mathematics for Economics and Business, Monash University. Teaching evaluation: 4.08/5.
- ETC 1000 Business and Economic Statistics, Monash University. Teaching evaluation: 4.67/5.

STUDENT SUPERVISION

- Honours student: Harry Tasman Murphy Cruise (co-supervised with Xueyan Zhao), 2016
Topic: Mental Health and Susceptibility to Non-Medical Use of Prescription Drugs
- Honours student: Andrew John Duver (co-supervised with Xueyan Zhao), 2014
Topic: Should all alcoholic beverages be taxed the same? Lost productivity from alcohol consumption

PROFESSIONAL AFFILIATIONS

- Econometric Society
- International Health Economics Association
- European Economic Association
- Australian Health Economics Society
- Asian and Australasian Society of Labour Economics

OTHER INFORMATION

- Citizenship: Australian
- Languages: English (full professional proficiency), Chinese (native), Danish (basic)
- Programming: R, Stata, Matlab, GAUSS, C++, SAS, High Performance Parallel Computing
