

Nicole Watson

Principal Research Fellow and HILDA Deputy Director (Survey Methodology)
Melbourne Institute: Applied Economic and Social Research
University of Melbourne

Tel: +61 3 8344 2088

Email: n.watson@unimelb.edu.au

Tertiary Qualifications

Graduate Certificate of International and Community Development, Deakin University, 2013

Masters of Medical Statistics, University of Newcastle, 2004

Graduate Diploma in Management Sciences, University of Canberra, 1998

Bachelor of Science, Joint First Class Honours in Computer Science and Mathematics, University of Western Australia, 1994

Study in progress: PhD (Applied Statistics), University of Queensland. Thesis title: 'Improvements in non-response and sample design adjustments for complex longitudinal survey data'.

Professional Membership

European Survey Research Association

International Association of Survey Statisticians

Statistical Society of Australia

Employment

Melbourne Institute: Applied Economic and Social Research, University of Melbourne

Jan 2019 –	Principal Research Fellow and HILDA Deputy Director (Survey Methodology)
Sep 2010 – Dec 2018	Senior Research Fellow and HILDA Deputy Director (Survey Methodology)
Jan 2010 – Aug 2010	Research Fellow and HILDA Deputy Director (Survey Methodology)
Dec 2005 – Dec 2009	Research Fellow and HILDA Deputy Director (Survey Management)
Oct 2000 – Dec 2005	Research Fellow and HILDA Survey Manager

Data Analysis Australia

Sep 2000 – Sep 2001	Senior Consultant Statistician and Regional Manager
---------------------	---

Victorian Department of Human Services

Sep 1998 – Sep 2000	Statistician – Health Intelligence Section, Policy Development and Planning Division
---------------------	--

Australian Bureau of Statistics

Jul 1995 – Sep 1998	Senior Research Officer – Statistical Support Section, Methodology Division
Feb 1994 – Jul 1995	Research Officer – Statistical Support Section, Methodology Division; Demography Section, Population Surveys Division; Statistical Consultancy and Training Section, Methodology Division

Data Analysis Australia

Nov 1993 – Jan 1994, Junior Statistical Consultant
Dec 1992 – Feb 1993

Research Interests

Longitudinal survey methodology; weighting; imputation; non-response and attrition analysis; data quality

Conference and Seminar Presentations

1. *Maximising response: The HILDA Survey Experience*. Invited presentation to National Institute on Aging Workshop on 'Improving consent and response in longitudinal studies of aging' on 27 September 2021, Online.
2. *Measuring geographic mobility: Comparison of estimates from longitudinal and cross-sectional data*. Presented at the European Survey Research Association Conference on 19 July 2019, Zagreb, Croatia.
3. *Simulating the consequences of adaptive survey design in two household panel studies*. Presented at the European Survey Research Association Conference on 16 July 2019, Zagreb, Croatia.
4. *Methodological challenges for the HILDA Survey*. Presented at the Longitudinal Studies Showcase Workshop on 24 July 2018, Colchester, England.
5. *Imputation in the HILDA Survey – current challenges*. Presented at the Imputation for Income Data in Panel Surveys International Meeting on 24 July 2018, Colchester, England.
6. *Refreshment sampling for longitudinal surveys*. Presented at the Methodology of Longitudinal Surveys Conference II on 25 July 2018, Colchester, England.
7. *Simulating the consequences of adaptive survey design in two household panel studies*. Presented at the Methodology of Longitudinal Surveys Conference II on 25 July 2018, Colchester, England.
8. *Maintaining sample representativeness*. Presented at the Future of HILDA Survey Workshop on 7 September 2017, Melbourne.
9. *Improvements to the imputation of longitudinal income data*. Presented at the Panel Survey Methods Workshop on 20 June 2016, Berlin.
10. *Dead or alive? Dealing with unknown eligibility in a longitudinal survey*. Presented at:
 - The European Survey Research Association Conference on 14 July 2015, Reykjavik, Iceland.
 - The Australian Statistical Conference on 7 July 2014, Sydney.
11. *Methodological challenges in the HILDA Survey*. Presented at the Institute for Social Research, University of Michigan on 22 May 2014, Ann Arbor, USA.
12. *The impact of following rules on the sample composition of household-based panels*. Presented at:
 - The Understanding Society Conference on 23 July 2015, Colchester, England.
 - The Panel Survey Methods Workshop on 20 May 2014, Ann Arbor, USA.
13. *Evaluation of weighting methods to integrate a new top-up sample with the ongoing longitudinal HILDA sample*. Presented at the Methods in Official Statistics Workshop on 14 March 2014, Canberra.

14. *Evaluation of weighting methods to integrate a new top-up sample with an ongoing longitudinal sample.* Presented at the European Survey Research Association Conference, 16 July 2013, Ljubljana, Slovenia.
15. *Reaching the homeless in Australia: A longitudinal study.* Presented at the International Conference on Methods for Surveying and Enumerating Hard to Reach Populations on 31 October 2012, New Orleans, USA.
16. *Weighting issues in longitudinal surveys: HILDA's experience.* Presented at the Symposium on Analysis of Longitudinal Data on 16 October 2012, Canberra.
17. *Measuring employment: Exploring bias in inequality research.* Presented at RC33 Eighth International Conference on Social Science Methodology on 12 July 2012, Sydney.
18. *Using administrative data to find the homeless and vulnerable.* Presented at RC33 Eighth International Conference on Social Science Methodology on 12 July 2012, Sydney.
19. *Weighting strategy to integrate a new top-up sample with an ongoing longitudinal sample.* Presented at the Australian Statistical Conference on 10 July 2012, Adelaide.
20. *A tale of two surveys: Panel attrition, health and employment.* Presented at the 3rd International Panel Survey Methods Workshop on 5 July 2012, Melbourne.
21. *HILDA data security.* Presented at the Symposium on Disclosure Risk of Linked and Longitudinal Data on 27 April 2012, Canberra.
22. *Re-engaging with survey non-respondents: Evidence from Australia, Britain and Germany.* Presented at:
 - The European Survey Research Association on 20 July 2011, Lausanne, Switzerland.
 - The Centre for Statistical and Survey Methodology Seminar Series, University of Wollongong on 2 June 2011, Wollongong.
 - The Victorian Branch Meetings of the Australian Statistical Society on 22 March 2011, Melbourne.
23. *HILDA Top-up Sample in Wave 11.* Presented at the HILDA Survey Research Conference on 15 July 2011, Melbourne.
24. *Attrition in household panel studies: The Australian, British and German Experience.* Presented at the 1st China Family Panel Study Conference on 3 March 2011, Beijing, China.
25. *The impact of introducing CAPI to the HILDA Survey.* Presented at the Australian Statistical Conference on 8 December 2010, Perth.
26. *Causes and effect of non-monotonic attrition.* Presented at the Panel Survey Methods Workshop on 6 July 2010, Mannheim, Germany.
27. *Weighting in longitudinal surveys.* Presented at the Methodological and Analysis Issues Workshop on Maximising the Value of Longitudinal Studies for Policy and Science on 13 November 2009, Canberra.
28. *Challenges and insights from overlapping seams in the HILDA Survey.* Presented at the 25th International Methodology Symposium on Longitudinal Surveys on 30 October 2009, Ottawa, Canada.
29. *Disentangling overlapping seams: The experience of the HILDA Survey.* Presented at the HILDA Survey Research Conference on 16 July 2009, Melbourne.
30. *UKHLS weighting strategy: What does it mean for you?* Presented (with Peter Lynn) at the Joint Empirical Social Science Seminar Series at the Institute for Social and Economic Research, University of Essex on 23 July 2008, Colchester, England.
31. *What is the value of an overlapping seam?* Presented at the Panel Survey Methods Workshop on 15 July 2008, Colchester, England.

32. *What HILDA does to minimise measurement error*. Presented at the Workshop on Measurement Error on 20 May 2008, Canberra.
33. *Evaluation of alternative income imputation methods for a longitudinal survey*. Presented at:
 - The International Conference for Panel Data Analyses: Employment and Quality of Life on 26 October 2007, Seoul, Korea.
 - The HILDA Survey Research Conference on 19 July 2007, Melbourne.
 - The 56th Session of the International Statistical Institute on 22 August 2007, Lisbon, Portugal.
 - Goulburn 5 (organized by the Centre for Statistical and Survey Methodology, University of Wollongong) on 14 November 2007, Goulburn.
34. *Top-up sample options for the HILDA Survey*. Presented at the ACSPRI Social Science Methodology Conference on 11 December 2006, Sydney.
35. *Evaluation of alternative income imputation methods: The HILDA Experience*. Presented at the Methodology of Longitudinal Surveys Conference on 12 July 2006, Colchester, England.
36. *Cross wave imputation: The first steps*. Presented at the Australian Statistical Conference on 16 July 2004, Cairns.
37. *Coaxing cross-sectional estimates from a longitudinal survey: The HILDA Experience*. Presented to the Sample Surveys and Statistical Methodology Workshop on 3 November 2003, Wollongong.
38. *The Household, Income and Labour Dynamics in Australia (HILDA) Survey*. Presented to potential users on 10 February 2003, Brisbane.
39. *Weighting issues for the Household, Income and Labour Dynamics in Australia (HILDA) Survey*. Presented at the Australian Statistics Conference, 8-12 July 2002, in Canberra.
40. *Design of the Victorian Population Health Survey: Electronic white pages versus random digit dialing*. Presented to various Melbourne organisations in 2000, including:
 - Anti Cancer Council of Victoria
 - Monash University Accident Research Centre
 - VicHealth
 - Monash Department of Epidemiology and Preventative Medicine
 - Australian Institute of Family Studies
41. *Unlisted versus listed numbers: Are they different?* Presented at the New Zealand Statistical Society Conference on 6 July 1999, Wellington, New Zealand.
42. *Design of the Survey of Motor Vehicle Use*. Presented at the Australian Statistical Society Conference on 8 July 1998, Gold Coast.
43. *Design of the Labour Cost Index*. Presented at the Methodology Seminar Series at the Australian Bureau of Statistics in 1997, Canberra.

Competitive Research Grants

1. *UK Economic and Social Research Council Network Grant (£25,254)*. 2012-2014. UK-Australia Network Promoting Longitudinal Survey Methods and Analysis. Chief Investigator: Jon Burton (University of Essex). International co-investigators: Janeen Baxter (University of Queensland), SC Noah Uhrig (University of Essex), Nicole Watson (University of Melbourne).

Research Contracts

1. *Household, Income and Labour Dynamics in Australia (HILDA) Survey, Waves 5-8*. 2004-2010. Department of Families, Community Services and Indigenous Affairs. Chief Investigators: Mark Wooden, Bruce Headey, Nicole Watson.

2. *Performance of the HILDA Survey, Waves 9-12* (\$34.5m). 2008-2013. Department of Families, Department of Families, Housing, Community Services and Indigenous Affairs (FaHCSIA). Chief Investigators: Mark Wooden, Nicole Watson, Michelle Summerfield.
3. *Household, Income and Labour Dynamics in Australia Survey, Waves 13-18* (\$62.3m). 2012-2021. FaHCSIA / Department of Social Services (DSS). Chief Investigators: Mark Wooden, Nicole Watson, Michelle Summerfield.
4. *Household, Income and Labour Dynamics in Australia Survey, Wave 19* (\$12.0m). 2018-2021. DSS. Chief Investigators: Mark Wooden, Nicole Watson, Michelle Summerfield.
5. *Household, Income and Labour Dynamics in Australia Survey, Wave 20-23* (\$51.3m). 2019-2025. DSS. Chief Investigators: Mark Wooden, Nicole Watson, Michelle Summerfield, Roger Wilkins.

Advisory Groups and Committees

2017 - 2018	Second International Conference on Methodology of Longitudinal Surveys (2018) Scientific Committee
2016 - 2020	Australian Longitudinal Census Dataset Advisory Group
2011 -	International Panel Survey Methods Workshop Scientific Committee

Other professional activities

Refereeing for academic journals

Australian and New Zealand Journal of Statistics	Journal of Population Ageing
Australian Economic Review	Journal of Survey Statistics and Methodology
Australian Psychologist	Journal of the Royal Statistical Society, Series A
Demographic Research	Longitudinal and Life Course Studies
Field Methods	Methods, Data, Analyses (mda)
International Journal of Public Opinion Research	Survey Research Methods
International Journal of Social Research Methodology	Social Indicators Research
Journal of Applied Statistics	Social Science Computer Review
Journal of Clinical Epidemiology	Sociological Methods and Research
Journal of Official Statistics	Swiss Journal of Sociology

Reviewer of book manuscript

CRC Press

Editor of academic journals

Guest editor of special issue of Longitudinal and Life Course Studies on 'Methodological Issues in Longitudinal Surveys', October 2019 (vol. 10, No. 4).

Courses Presented

HILDA Data User Training. Presented to a mixture of existing and potential HILDA users in the following locations:

1. Online workshop, 10, 12, 17, 19, 24, 26, 31 August 2021
2. Online, 3-15 September 2021 (with R Breunig)
3. Online, 5-14 October 2021 (with R Breunig)
4. Australian National University, 3-6 February 2020 (with R Breunig)
5. Australian National University, 17-20 February 2020 (with R Breunig)
6. University of Melbourne, 3-6 June 2019 (with R Breunig)
7. Australian National University, 15-18 April 2019 (with R Breunig)
8. Australian National University, 13-16 February 2017 (with R Breunig)
9. Canberra Convention Centre, 24 October 2016 (with M O'Shea), workshop preceding the Longitudinal Data Conference
10. University of Melbourne, 27-29 September 2016 (with R Breunig)
11. Australian Bureau of Statistics, 12 May 2016
12. Australian National University, 17-19 February 2016 (with R Breunig)
13. University of Melbourne, 3-5 June 2015 (with R Breunig)
14. University of Melbourne, 25-27 February 2015 (with R Breunig)
15. University of Queensland, 4 December 2014
16. University of Sydney, 3 December 2014
17. Department of Social Services, 2 December 2014
18. University of Melbourne, 1 December 2014 (with M Wooden)
19. RMIT University, 16 July 2014
20. Australian National University, 14-16 April 2014 (with R Breunig)
21. University of Melbourne, 9-11 December 2013 (with S Pudney)
22. University of Melbourne, 30 September - 2 October 2013 (with R Breunig)
23. University of New South Wales, 3-5 April 2013 (with R Breunig)
24. University of Melbourne, 27-29 Nov 2012 (with S Pudney)
25. Australian National University, 10-12 Sept 2012 (with R Breunig)
26. University of Melbourne, 2-4 Nov 2011 (with S Pudney)
27. University of Melbourne, 13 July 2011 (with M Wooden, R Wilkins, S Freidin, D Warren and J Haisken-DeNew)
28. University of New South Wales, 8 June 2010
29. Department of Families, Housing, Community Services and Indigenous Affairs, 9 June 2010
30. University of Melbourne, 13-15 July 2009 (with S Pudney, C Sun)
31. University of Melbourne, 18 July 2007 (with C Hayes, S Freidin, M Hahn)
32. Department of Education and Workplace Relations, 27 April 2007 (with M Wooden and C Hayes)
33. Australian National University, 7-9 August 2006 (with R Breunig, A Goode)
34. University of Melbourne, 28 September 2005
35. Department of Families and Community Services, 19 May 2005
36. Department of Education and Workplace Relations, 18 May 2005

37. Australian National University, 23–25 February 2004 (with R Breunig)

38. University of Melbourne, 14 March 2003 (with B Headey)

Sample and Frame Maintenance Course. Several sessions presented to Australian Bureau of Statistics staff in Brisbane, 1998.

Introduction to Surveys. Presented to Year 10 students in Perth, 1997.

Basic Survey Design Course. Several sessions presented to Australian Bureau of Statistics staff in Canberra, 1996.
