There is also a self-completion questionnaire we would like you to fill in. This contains some additional questions that you might find easier to answer by yourself. You can complete this in your own time and I will come back and collect it on another day.

Give pen (i.e. the ’gift’) to respondent and recommend that they use it when completing the questionnaire. Point out instructions on the front of SCQ and emphasise that if they make a mistake it’s important that they black-out the box completely.
