Dear <respondent name>,

I would like to thank your household for its continuing support of the Living in Australia study. The time you spend with our interviewers each year is invaluable and contributes to a better understanding of living in Australia today.

The ongoing health of Australians is a topical issue. This year our focus moves to your health and utilisation of health services and how this impacts your day to day life. No matter your age or background, your experiences are significant to this study.

Enclosed you will find our newsletter. It includes:

- a special letter from Dr Martin Parkinson PSM, Secretary of the Department of Treasury;
- important information about the study and your privacy;
- a selection of results from the study data; and
- information on what is new this year, particularly that our gift to you has increased to \$35 cash, and your chance to win 1 of 5 iPad minis.

I encourage you to visit the project website www.livinginaustralia.org for more information about the study. Should you wish to contact us for any reason you can call 1800 656 670 or email HILDA@roymorgan.com.

In the next few weeks your interviewer will visit to invite you to take part in the study this year. Once again, thank you for your support and we hope you find your participation this year enjoyable.

Yours sincerely

Tania Sperti
