Dear Firstname,

Welcome to the Living in Australia (HILDA) study for Wave 15.

I would like to thank you and your household for your ongoing support of the HILDA study. Your time is valued immensely by all involved in the study, including project staff, researchers and data users.

This year we return to you with a focus on relationships, family formation and retirement. Your participation in the HILDA study this year will help us understand how these areas of life directly, or indirectly, affect you and how we may best prepare for the challenges these changes bring.

As always, the information you provide is completely confidential and will be treated with the strictest of privacy.

Our newsletter for 2015

Within the newsletter you will find:

- A special letter from Janeen Baxter, a long term supporter and user of the HILDA data;
- Important information about the study, your confidentiality and your privacy; and
- Information on what is new this year, including a special note on your \$35 cash gift and our exciting new Self Completion Questionnaire prize.

You are important to us

I encourage you to visit the project website www.livinginaustralia.org for more information about the study. Should you wish to contact us for any reason you can call 1800 656 670 or email HILDA@roymorgan.com.

In the next few weeks

Your interviewer will contact you soon to invite you to take part in the study this year. Once again, thank you for your support and we hope you find your participation enjoyable.

Yours sincerely,

Tania Sperti
