

**THE SALVATION ARMY  
AUSTRALIA SOUTHERN  
TERRITORY**

**Social Inclusion  
Framework**

# Step One

Identify and agree upon a set of principles developed out of a Territory wide consultation

- Consultations in social programs and church centres
- Explore social and economic participation
- Prevention to be a primary focus
- Joined up for participant outcomes

Non-negotiable values:

- Human dignity
- Equity of opportunity
- Access for one and all
- Local focus

# Step Two

## Developing the Vision

The Framework is to be constructed around seven themes that will be framed by the principles developed by the Territorial Consultation. There are proposed objectives for each theme.

<b>Priority Theme</b>	<b>Key Objectives</b>
Local Social Engagement	A place to belong Accessible local support networks Accepting environments

<b>Priority Theme</b>	<b>Key Objectives</b>
Safety	Protecting the most vulnerable Managing anti-social behaviour Stable housing Effective support interventions Good public safety practices and policies

<b>Priority Theme</b>	<b>Key Objectives</b>
Fairness	Equality and opportunity Equitable access to services Affordable housing Affordable education services Human rights known and exercised

<b>Priority Theme</b>	<b>Key Objectives</b>
Independence	Empowering service responses Promoting good health and well-being Participation in local governance

<b>Priority Theme</b>	<b>Key Objectives</b>
Learning	Maximising potential Life-long learning opportunities Focus on basic skill development Creativity and innovation fostered All-age local learning continuum

<b>Priority Theme</b>	<b>Key Objectives</b>
Work Participation	Work experience focus Volunteering encouraged Connection to local employers Collaboration with employment agencies

<b>Priority Theme</b>	<b>Key Objectives</b>
Sustainable Networks	Local management optimised Maximum use of existing resources Local 'community of services' developed Affordable support infrastructure

# Step Three

## Establishing the Framework

The actions set out below provide a framework for taking forward The Salvation Army's Social Inclusion activity:

- Social Inclusion Coordinating Group and Program Area Champions
- Mapping local Activity against Key Objectives (Matrix)
- Consultation and Community Involvement

- Social Inclusion Action Plan
- Measuring performance
- Integrating Social Inclusion Information into Policies
- Sharing information, good practice and communicating achievements

# Step Four

Monitoring Progress  
- A Quality Rating System
